What is SecurLOCK Equip? Glad you asked....

We at Morrisons Cove 1st FCU, take our members security very serious. We have been working hard on this new project and it will be available to our membership April 3, 2023.

With SecurLOCKEquip you will be able to monitor your cards activity around the clock. This APP will not only give you the ability to let us know when you are traveling, but you will also have a feature that allows you to turn your card on and off if you happen to misplace it or think that it could possibly have been compromised. You can register to get text messages, updating you when your card is being used. It will tell you the date, time, amount and location of purchase. This APP has a 24/7 call center helpline number for any questions you may have. (833) 865-1226.

Now the power to **protect your cards** is in your hands.

Download SecurLOCK Equip from your app store. It is fast and FREE!
